Letter dated 7 April 1994 from the Permanent Representative of
Chad to the United Nations addressed to the Secretary-General

Acting on instructions from my Government, I have the honour to transmit to you herewith the text of the Agreement signed on 4 April 1994 between the Republic of Chad and the Socialist People's Libyan Arab Jamahiriya concerning the practical modalities for the implementation of the Judgment delivered by the International Court of Justice on 3 February 1994.

As you will see from reading the Agreement, the two Parties have agreed that the withdrawal of the Libyan administration and troops shall commence on 15 April 1994, under the supervision of a mixed team of 25 Chadian officers, 25 Libyan officers and United Nations observers.

The team thus composed shall be based at the Aouzou administrative post. The observers designated by the United Nations shall participate in all Libyan withdrawal operations and shall establish that they are actually effected. These operations are scheduled to end on 30 May 1994, on which date there will be a ceremony at the Aouzou administrative post for the official hand-over of the territory to the Chadian Government.

At the same time a joint team of 40 experts in mine disposal - 20 from each country - shall be established. This team may be expanded should the scope of the mission so require. The team shall also begin its operations on 15 April 1994. These activities shall continue beyond 30 May 1994 and shall include, in addition to the removal of mines, the neutralization of hazardous objects and mechanisms and the disinfection of wells.

In view of the proximity of the date of entry into force, I have the honour to request that you be so kind as to take the measures necessary for the deployment of the observers provided for in the Agreement.
