<sup>3</sup> Subsequently, the delegation of Kazakhstan indicated that it had intended to vote against.

Economic and other activities which affect the interests of  
the peoples of the Non-Self-Governing Territories

The General Assembly,

Having considered the item entitled "Activities of foreign economic and other interests which impede the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Territories under colonial domination",

Having examined the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the item,<sup>4</sup>

Recalling its resolution 1514 (XV) of 14 December 1960, as well as all its other relevant resolutions, including, in particular, resolution 46/181 of 19 December 1991,

Reaffirming the solemn obligation of the administering Powers under the Charter of the United Nations to promote the political, economic, social and educational advancement of the inhabitants of the Territories under their administration and to protect the human and natural resources of those Territories against abuses,

Reaffirming also that any economic or other activity that has a negative impact on the interests of the peoples of the Non-Self-Governing Territories and on the exercise of their right to self-determination in conformity with the Charter of the United Nations and General Assembly resolution 1514 (XV) is contrary to the purposes and principles of the Charter,

Reaffirming further that the natural resources are the heritage of the peoples of the Non-Self-Governing Territories, including the indigenous populations,

Aware of the special circumstances of the geographical location, size and economic conditions of each Territory, and bearing in mind the need to promote the economic stability, diversification and strengthening of the economy of each Territory,

Conscious of the particular vulnerability of the small Territories to natural disasters and environmental degradation,

Conscious also that foreign economic investment, when done in collaboration with the peoples of the Non-Self-Governing Territories and in accordance with their wishes, could make a valid contribution to the socio-economic development of the Territories and could also make a valid contribution to the exercise of their right to self-determination,

---

<sup>4</sup> A/52/23 (Part III), chap. V.

Concerned about any activities aimed at exploiting the natural and human resources of the Non-Self-Governing Territories to the detriment of the interests of the inhabitants of those Territories,

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity, the South Pacific Forum and the Caribbean Community,

1. Reaffirms the right of peoples of Non-Self-Governing Territories to self-determination in conformity with the Charter of the United Nations and General Assembly resolution 1514 (XV), containing the Declaration on the Granting of Independence to Colonial Countries and Peoples, as well as their right to enjoyment of their natural resources and their right to dispose of those resources in their best interest;

3. Reaffirms the responsibility of the administering Powers under the Charter to promote the political, economic, social and educational advancement of the Non-Self-Governing Territories, and reaffirms the legitimate rights of their peoples over their natural resources;

4. Reaffirms its concern about any activities aimed at the exploitation of the natural resources that are the heritage of the peoples of the Non-Self-Governing Territories, including the indigenous populations, in the Caribbean, the Pacific and other regions, as well as their human resources, to the detriment of their interests, and in such a way as to deprive them of their right to dispose of those resources;

5. Affirms the need to avoid any economic and other activities which adversely affect the interests of the peoples of the Non-Self-Governing Territories;

6. Calls once again upon all Governments that have not yet done so to take, in accordance with the relevant provisions of General Assembly resolution 2621 (XXV) of 12 October 1970, legislative, administrative or other measures in respect of their nationals and the bodies corporate under their jurisdiction that own and operate enterprises in the Non-Self-Governing Territories that are detrimental to the interests of the inhabitants of those Territories, in order to put an end to such enterprises;

7. Reiterates that the damaging exploitation and plundering of the marine and other natural resources of the Non-Self-Governing Territories, in violation of the relevant resolutions of the United Nations, is a threat to the integrity and prosperity of those Territories;

8. Invites all Governments and organizations of the United Nations system to take all possible measures to ensure that the permanent sovereignty of the

/...

peoples of the Non-Self-Governing Territories over their natural resources is fully respected and safeguarded;

9. Urges the administering Powers concerned to take effective measures to safeguard and guarantee the inalienable right of the peoples of the Non-Self-Governing Territories to their natural resources and to establish and maintain control over the future development of those resources, and requests the administering Powers to take all necessary steps to protect the property rights of the peoples of those Territories;

10. Calls upon the administering Powers concerned to ensure that no discriminatory working conditions prevail in the Territories under their administration and to promote in each Territory a fair system of wages applicable to all the inhabitants without any discrimination;

11. Requests the Secretary-General to continue, through all means at his disposal, to inform world public opinion of any activity that affects the exercise of the right of the peoples of Non-Self-Governing Territories to self-determination in conformity with the Charter and General Assembly resolution 1514 (XV);

12. Appeals to the mass media, trade unions and non-governmental organizations, as well as individuals, to continue their efforts to promote the economic well-being of the peoples of the Non-Self-Governing Territories;

13. Decides to follow the situation in the Non-Self-Governing Territories so as to ensure that all economic activities in those Territories are aimed at strengthening and diversifying their economies in the interest of the peoples of the Non-Self-Governing Territories, including the indigenous populations, and at promoting the economic and financial viability of those Territories;

14. Requests the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to continue to examine this question and report thereon to the General Assembly at its fifty-third session.

11. The Special Political and Decolonization Committee (Fourth Committee) also recommends to the General Assembly the adoption of the following draft decision:

Military activities and arrangements by colonial Powers  
in Territories under their administration

1. The General Assembly, having considered the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to an item on the agenda of the Special Committee entitled "Military activities and arrangements by colonial Powers in Territories under their administration",<sup>5</sup> and recalling its resolution 1514 (XV) of 14 December 1960 and all other relevant resolutions and decisions of the United Nations relating to

---

<sup>5</sup> A/52/23 (Part III), chap. VI.

military activities in colonial and Non-Self-Governing Territories, reaffirms its strong conviction that military bases and installations in the Territories concerned could constitute an obstacle to the exercise by the people of those Territories of their right to self-determination, and reiterates its strong views that existing bases and installations, which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, should be withdrawn.

2. Aware of the presence of such bases and installations in some of those Territories, the General Assembly urges the administering Powers concerned to continue to take all necessary measures not to involve those Territories in any offensive acts or interference against other States.

3. The General Assembly reiterates its concern that military activities and arrangements by colonial Powers in Territories under their administration might run counter to the rights and interests of the colonial peoples concerned, especially their right to self-determination and independence. The Assembly once again calls upon the administering Powers concerned to terminate such activities and to eliminate such military bases in compliance with its relevant resolutions.

4. The General Assembly reiterates that the colonial and Non-Self-Governing Territories and areas adjacent thereto should not be used for nuclear testing, dumping of nuclear wastes or deployment of nuclear and other weapons of mass destruction.

5. The General Assembly deplores the continued alienation of land in colonial and Non-Self-Governing Territories, particularly in the small island Territories of the Pacific and Caribbean regions, for military installations. The large-scale utilization of the local resources for this purpose could adversely affect the economic development of the Territories concerned.

6. The General Assembly takes note of the decision of some of the administering Powers to close or downsize some of those military bases in the Non-Self-Governing Territories.

7. The General Assembly requests the Secretary-General to continue to inform world public opinion of those military activities and arrangements in colonial and Non-Self-Governing Territories which constitute an obstacle to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples.

8. The General Assembly requests the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to continue to examine this question and to report thereon to the Assembly at its fifty-third session.
