Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice,⁵ and recalling also General Assembly resolution ES-10/15 of 20 July 2004,

Noting in particular the Court's reply, including that the construction of the wall being built by Israel, the occupying Power, in the Occupied Palestinian Territory, including in and around East Jerusalem, and its associated regime are contrary to international law,

Aware of the responsibility of the international community to promote human rights and ensure respect for international law, and recalling in this regard its resolution 2625 (XXV) of 24 October 1970,

Reaffirming the principle of the inadmissibility of the acquisition of territory by force,

Reaffirming also the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,⁸ to the Occupied Palestinian Territory, including East Jerusalem, and other Arab territories occupied by Israel since 1967,

Reaffirming further the obligation of the States parties to the Fourth Geneva Convention⁸ under articles 146, 147 and 148 with regard to penal sanctions, grave breaches and responsibilities of the High Contracting Parties,

Reaffirming that all States have the right and the duty to take actions in conformity with international law and international humanitarian law to counter deadly acts of violence against their civilian population in order to protect the lives of their citizens,

Stressing the need for full compliance with the Israeli-Palestinian agreements reached within the context of the Middle East peace process, including the Sharm El-Sheikh understandings, and the implementation of the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict,⁹

Acknowledging the importance of the Israeli withdrawal from within the Gaza Strip and parts of the northern West Bank and of the dismantlement of settlements therein as a step towards the implementation of the road map,

Expressing grave concern about the continuing systematic violation of the human rights of the Palestinian people by Israel, the occupying Power, including that arising from the excessive use of force, the use of collective punishment, the reoccupation and closure of areas, the confiscation of land, the establishment and expansion of settlements, the construction of the wall inside the Occupied Palestinian Territory in departure from the Armistice Line of 1949, the destruction of property and all other actions by it designed to change the legal status, geographical nature and demographic composition of the Occupied Palestinian Territory, including East Jerusalem,

Gravely concerned about the military actions that have been carried out since 28 September 2000 and that have led to thousands of deaths among Palestinian civilians, including hundreds of children, and tens of thousands of injuries,

Expressing deep concern also about the Israeli policy of closure and the severe restrictions, including curfews, that continue to be imposed on the movement of persons and goods, including medical and humanitarian personnel and goods, throughout the Occupied Palestinian Territory, including East Jerusalem, and the consequent negative impact on the socio-economic situation of the Palestinian people, which remains that of a dire humanitarian crisis,

Concerned about the continued establishment of checkpoints in the Occupied Palestinian Territory, including East Jerusalem, and the transformation of several of these checkpoints into structures akin to permanent border crossings inside the Occupied Palestinian Territory,

Expressing concern that thousands of Palestinians continue to be held in Israeli prisons or detention centres under harsh conditions that impair their well-being, and also expressing concern about the ill-treatment and harassment of any Palestinian prisoners and all reports of torture,
