Reaffirming its continued support for the Government and people of Afghanistan as they rebuild their country, strengthen the foundations of sustainable peace and constitutional democracy and assume their rightful place in the community of nations,

Noting with concern the existing links between international security, terrorism and transnational organized crime, money-laundering, trafficking in illicit drugs and illegal arms, and in this regard *emphasizing* the need to enhance coordination of efforts on national, subregional, regional and international levels in order to strengthen a global response to this serious challenge,

Reiterating its concern about the security situation in Afghanistan, in particular the continued violent and terrorist activities by the Taliban, Al-Qaida, illegal armed groups, criminals and those involved in the narcotics trade, and the links between illicit drugs trafficking and terrorism, and *Calling upon* the Afghan Government, with the assistance of the international community, including the International Security Assistance Force and Operation Enduring Freedom coalition, in accordance with their respective designated responsibilities as they evolve, to continue to address the threat to the security and stability of Afghanistan posed by the Taliban, Al-Qaida, illegally armed groups, criminals and those involved in the narcotics trade,

Welcoming the ongoing efforts of the Government of Afghanistan in the fight against narcotic drugs and also welcoming the efforts of neighbouring countries to address the impact on the region of the production of illicit drugs in Afghanistan,

including through interdiction activities, and encouraging the international and regional organizations to enhance their role in the fight against illicit trafficking in narcotics and precursors, Paying homage to the sacrifice of members of the security forces of Afghanistan and its neighbouring countries in the fight against drug traffickers,

Recalling that achieving a sustained and significant reduction in the production and trafficking of narcotics with a view to eliminating the narcotics industry has been identified as a cross-cutting priority by the “Afghanistan Compact” adopted in London in 2006, which provides the framework for the partnership between the Afghan Government and the international community, as well as the Government of Afghanistan’s National Drug Control Strategy,

Stressing the importance of a comprehensive approach to address the drug problem of Afghanistan, which, to be effective has to be integrated into the wider context of efforts carried out in the three areas of Security, Governance, Rule of Law and Human Rights, and Economic and Social Development, stressing that the development of alternative livelihood programmes is of key importance in the success of the efforts in counter-narcotics in Afghanistan, and reiterating that extensive efforts have also to be made to reduce the demand of drugs globally in order to contribute to the sustainability of the elimination of illicit cultivation in Afghanistan,

Expressing utmost concern at the increase of illegal smuggling, for illicit use, to and within Afghanistan of chemical precursors needed to produce heroin, in particular acetic anhydride, and also hydrochloric acid and acetone, linked to the high level of opium cultivation, production and trafficking, and noting that most of the opium produced in Afghanistan is now processed in the country,

Recalling the Political Declaration adopted by the General Assembly at its twentieth special session, in which Member States decided to establish the year 2008 as a target date for States to eliminate or significantly reduce, inter alia, the diversion of precursors, and recognizing that action against the world drug problem is a common and shared responsibility requiring an integrated and balanced approach in full conformity with the purposes and principles of the Charter of the United Nations and international law,
