draft resolution**

The Security Council,

Reaffirming all its previous resolutions and presidential statements concerning the situation in Sudan,

Reaffirming its strong commitment to the sovereignty, unity, independence and territorial integrity of Sudan and its determination to work with the Government of Sudan, in full respect of its sovereignty, to assist in tackling the various challenges in Sudan,

Recalling also its previous resolutions 1325 (2000) and 1820 (2008) on women, peace and security, 1502 (2003) on the protection of humanitarian and United Nations personnel, 1612 (2005) on children and armed conflict and the subsequent conclusions on the Sudan of the Working Group on Children in Armed Conflicts (S/AC.51/2008/7) as approved by the Council, and 1674 (2006) on the protection of civilians in armed conflict, which reaffirms inter alia the relevant provisions of the United Nations World Summit outcome document, as well as the report of its Mission to Sudan from 3 to 6 June 2008,

Welcoming the report of the Secretary-General and the Chairperson of the African Union Commission of 7 July 2008 (S/2008/443), and *recalling* the confirmation of President Bashir during his meeting with the Council that UNAMID shall be deployed in full,

Deploring, one year after the adoption of resolution 1769 (2007), the deterioration in the security and humanitarian situation in Darfur,

Stressing the need to enhance the safety and security of UNAMID personnel,

Noting with strong concern ongoing attacks on the civilian population and humanitarian workers and continued and widespread sexual violence, including as outlined in the reports of the Secretary-General,

Emphasizing the need to bring to justice the perpetrators of such crimes and *urging* the Government of Sudan to comply with its obligations in this respect, and *reiterating* its condemnation of all violations of human rights and international humanitarian law in Darfur,

Taking note of the African Union (AU) communiqué of the 142nd Peace and Security Council (PSC) Meeting dated 21 July (S/2008/481, annex), *having in mind*

concerns raised by members of the Council regarding potential developments subsequent to the application by the Prosecutor of the International Criminal Court of 14 July 2008, and *taking note* of their intention to consider these matters further,

Reaffirming its concern that the ongoing violence in Darfur might further negatively affect the stability of Sudan as a whole as well as the region, *noting with concern* the ongoing tensions between the Governments of Sudan and Chad, and *reiterating* that a reduction in these tensions and rebel activity in both countries must be addressed to achieve long-term peace in Darfur and in the region,

Expressing its determination to promote and support the political process in Darfur, especially the new Chief Mediator, and *deploring* the fact that some groups refuse to join the political process,

Reiterating its deep concern for the decreasing security of humanitarian personnel, including killings of humanitarian workers, in Darfur and the hindering of their access to populations in need, *condemning* the parties to the conflict who have failed to ensure the full, safe and unhindered access of relief personnel as well as the delivery of humanitarian assistance, *further condemning* all instances of banditry and car-jackings, and *recognizing* that with many civilians in Darfur having been displaced humanitarian efforts remain a priority until a sustained cease-fire and inclusive political process are achieved,

Demanding an end to attacks on civilians, from any quarter, including by aerial bombing, and the use of civilians as human shields,

Determining that the situation in Darfur, Sudan continues to constitute a threat to international peace and security,
